CITIZENS' COMMENTS

Resident Nancy Marshall of 45 Tomahawk Claim Lane submitted a signed petition with 62 signatures to not rezone Hillside until a fix for Reissing Road is identified with firm dates and funding. Ms. Marshall read the petition. Supervisor Fisher noted the information from the workshop that was previously held and stated the Board's concerns were the same and they were relayed to the developer. Dan Deiseroth noted there are some things that can be done regarding the issues.

CITIZENS' COMMENTS (continued)

Resident Ed Badia of 22 Birch Way addressed the Board and inquired about the status of the Patty Mowry situation. Solicitor Gretchen Moore addressed his inquiry noting it is settled and discontinued. She added there was a Settlement Agreement (that is a public document) that the Board voted on at the last meeting and both suits have been discontinued. Additionally, Mr. Badia inquired as to the total amount of legal fees that were spent. Solicitor Moore responded she did not have a tally for that information. Mr. Badia also commented that the PA system is terrible.

Marion Miller, owner of 3240 and 3242 Millers Run Road addressed the Board regarding the stormwater issues on her property. Mrs. Miller noted she has photographs of the damage to the property as a result of the stormwater issues. Additionally she reported an estimate she has to make the repairs is \$42,000 and that insurance does not cover that type of damage created by water coming in from the outside. Mrs. Miller also noted there is mold in the building. Mrs. Miller noted they put in a curb in front of the building and also they installed a new pipe in front of the building. She also inquired if restitution was available through the Township. Dan Deiseroth added that a possible improvement at DePaoli to bring the storm sewer down along South DePaoli and running it into the creek would help correct the water run off. Dan Deiseroth elaborated on a possible fix regarding installation of an additional storm sewer. Supervisor Fisher noted the Township is limited what they can do on private property and a state road. Supervisor Fisher suggested Mrs. Miller have Representative Ortity talk to PennDOT on their behalf. Supervisor Fisher requested some time to see if they can come up with a solution and set up a meeting. Mrs. Miller also noted about the possibility of the Developers' being able to provide restitution if problems arise due to their actions.

At this time Supervisor Barni requested a moment of silence for long time resident Anna Coen, an advocate of local government, who recently passed away.

ADJOURNMENT:

With no further business to come before the Board, the meeting was adjourned by Chairperson Supervisor Cindy Fisher at 8:45 pm.
