September 2025 Community Interactions

In September, our department had the opportunity to connect with residents through several community events. We joined Coffee with First Responders, sponsored by Billie Ann's Diner and Coleman Taylor Funeral Home, where neighbors could enjoy a cup of coffee and conversation with our firefighters. We also participated in the Cecil Fall Festival, featuring live CPR demonstrations, forcible entry training door displays, and apparatus and equipment exhibits. These events helped strengthen relationships with our community while promoting safety awareness and showcasing the work we do every day.
