Scratched Calls for September 2025

A scratched call refers to an emergency call that was dispatched but ultimately not responded to by a unit from a station.

Scratched Calls by Station

Station	Number of Scratched Calls
Station 1 - Lawrence	34
Station 2 - Muse	0
Station 3 - Cecil	14

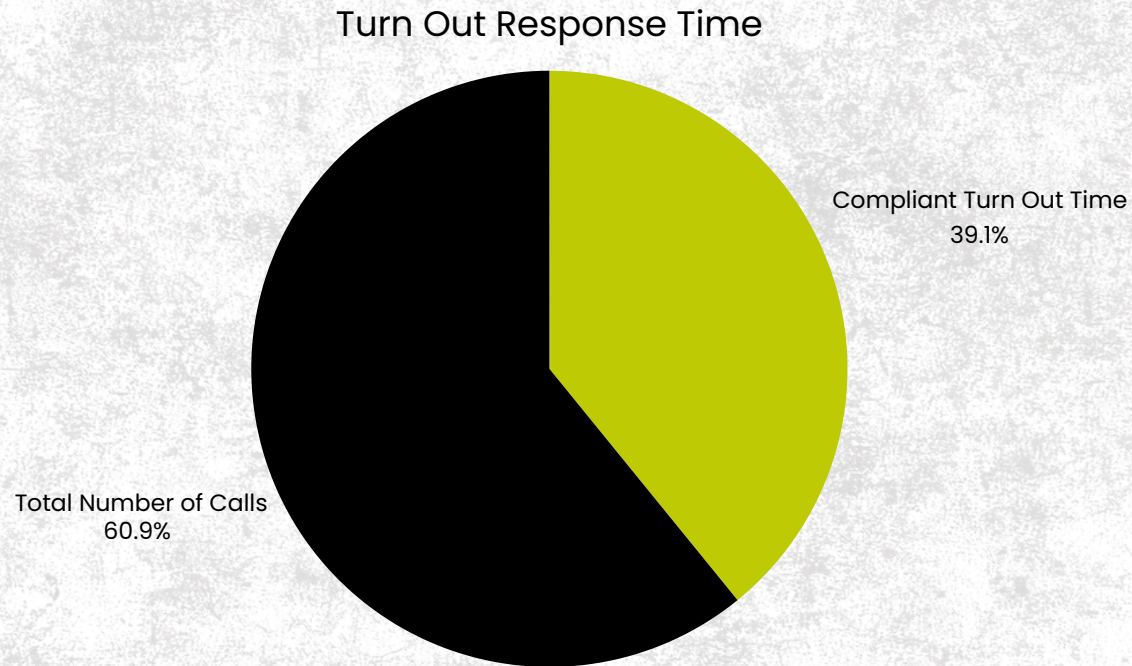

Cecil Fire Department

Turn Out Time vs. Response Time

Turn out time: The time interval from when firefighters are notified of an incident (dispatch alert) to when the apparatus begins to roll out of the station (wheels moving).

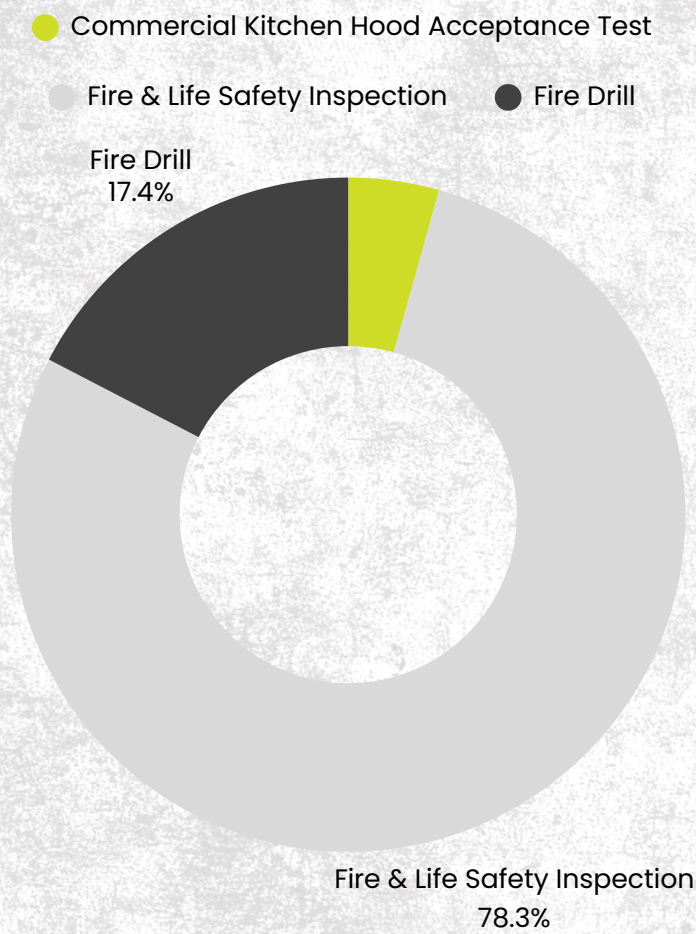

Response Time: The time interval from the moment the incident is dispatched until the first unit arrives on scene.

Turn Out Time	Number of Calls	Percentage
Compliant Turn Out Time	45	39.10%
Total Number of Calls	70	60.90%

September Inspections

Type of Incident	Count	Percentage
Fire & Life Safety	18	73.8%
Commercial Kitchen Hood Acceptance Test	1	4.3%
Fire Drills	4	17.40%
Total Inspections	23	

Training Completed

Total Training hours

106 hours

Total Certification Hours

60 Hours

Monthly Trainings

- Blue Card Communications and First Arrival Command
- Hydrants and Handlines

Personnel Accomplishments

October 2025 Community Interactions

In October, the Fire Department strengthened community ties through safety education and outreach. We celebrated Fire Prevention Week at Canon-Mac Schools, teaching students and staff key fire safety and prevention practices. Our second "Coffee with the Chief" event invited residents to learn about department operations and the ongoing merger updates. To close the month, firefighters supported Trick-or-Treat night, helping ensure a safe and enjoyable Halloween for all. These efforts highlight our continued commitment to safety, transparency, and community partnership.
